- **Federal eRulemaking Portal:** <http://www.regulations.gov> .
- **E-mail:** Include the docket number in the subject line of the message.

Instructions: All submissions received must include the words “Department of Homeland Security” and the docket number for this action. Comments received will be posted without alteration at <http://www.regulations.gov>, including any personal information provided.

OMB is particularly interested in comments that:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- 2 . Evaluate the accuracy of the agency’s estimate of the burden of

the proposed collection of information, including the validity of the methodology and assumptions used;

- 3 . Enhance the quality, utility, and clarity of the information to be collected; or
- 4 . Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.
